Carla – the 23rd would work for us I believe. We will also have David Livengood there as he was part of the original discussion. How about 9-10?

Hi Lissa -

The intent definitely was to send you a hard copy. Our admin person is out today, but I'll check w/ her when she gets in to see if she actually sent one.

I think we need to include Fredrick, Christy, our respective attorneys, and the two of us. I invited Mike Slater, since he is involved in all things Oregon. Seems like 1 hour would be enough. Assuming people's calendars are up-to-date, here's our availability for January:

1/9: 12:30 - 2:00
1/14 - 15: 9:00 - 11:00
1/16: 12:30 - 2:00
1/21 - 24: 9:00 - 2:00

Let me know what works for you, and we can set up a call. Hope you had good holidays. Mine were quiet (yay!)

Thanks.

Hi Carla – Happy New Year!

Hey I was just going through my snail mail inbox for the first time in a few weeks and I did not see a signed original of this letter for our file. Is this meant to be our only copy? Please let me know so I can be sure to get it in the file. It would be desirable if we could have a signed original for our files so there is no doubt which is the official record from a records management perspective. Let me know. Thanks

I guess we also need to start thinking about dates for our regulatory meeting.
